INDEX
THE FREEMAN
Volume 41
January-December 1991

Prepared by
Bettina Bien Greaves

NOTE: In page references, the number preceding the colon designates the month, the numbers following refer to pages. All articles have at least three entries — author, title, and subject — except in a few cases when the title and the appropriate subject coincide. Books reviewed are listed alphabetically by their author(s) on page 488; the names of their reviewers are included in the master index.
